as crucial support from the HKSAR Government, particularly the Education Bureau. On behalf of the Board of Governors, I wish to express sincere thanks to President Simon Ho and the management team, the Council, faculty members and staff, students, alumni and donors, as well as countless other supporters and friends over the years who have helped this institution uphold the values of the founders and reach new heights. Our mission to become a leading private liberal-arts-oriented university in the region reflects our long-term objective – to help young people to reach their potential as future leaders and socially responsible citizens."

President Simon S M Ho remarked, "I am so delighted to witness such an important historic moment of HSUHK with all of you today. Acquiring the university title has been the common dream of the HSMC family. After eight years of hard work, we finally made it. Apart from saying a wholehearted thank you to the HKSAR Government for their support and recognition, to Board Governors and Council Members of HSMC for their leadership, and to students and colleagues for their concerted efforts, we are also indebted to the founders of our predecessor Hang Seng School of Commerce (HSSC), including the late Dr Ho Sin Hang and the late Dr Lee Quo Wei for their broad vision, strong conviction, and selfless contributions to the founding of HSSC 38 years ago. I believe that our attainment of the university title will bring new impetus to the development of higher education in Hong Kong."

對大家多年來付出的肯定。感謝香港特區政府,特別是教育局的支持。我亦代表校董會,感謝何順文校長及管理團隊、校務委員、教職員、學生、校友及捐贈者一直以來為恒管的發展作出貢獻。我們會繼續努力實現願景 — 成為區內具領導地位的博雅型私立大學,培育更多對社會有承擔的青年領袖。」

何順文校長表示:「能正名成為香港恒生大學,一直是恒管大家庭的共同願望。經過八年努力,如今願望成真,除了感謝各持份者的支持,包括香港和區政府的協助與認同,還有校董和稅務委員會的領導、師生和職員的努力。 對於恒大及恒管前身恒生商學書院(包)的創辦人,包括已故何善衡博士等,於38年前憑藉他們對民間辦學的信念和遠大眼光,無私問預成立恒商,我們深表謝意。相信恒管的正名能為香港高等教育的發展帶來新動力。」

Fabulous Development in Last Four Decades 邁步發展 跨越40年

HSUHK's roots stretch back 38 years to the establishment of HSSC in 1980, with funding from the S H Ho Foundation, the Ho Tim Charitable Foundation, Dah Chong Hong Limited, several Hang Seng Bank founding directors and Hang Seng Bank Limited. From 1980 to 2009, HSSC was a pioneering and leading provider of post-secondary programmes in business and related areas.

In response to the Chief Executive's Policy Address in 2009 which highlighted the growing significance of quality private universities in Hong Kong, HSSC, in 2010, was re-structured into HSMC, a non-profit private university-level institution registered under the Post Secondary Colleges Ordinance (Cap 320) to offer bachelor's and above degree programmes in diversified disciplines.

On 30 October 2018, HSMC was granted approval by the Government of the Hong Kong Special Administrative Region to change its title to "The Hang Seng University of Hong Kong".

恒大的歷史可追溯至38年前, 由何善衡慈善基金會、何添慈 善基金會、大昌貿易行、若干

恒生銀行創辦人及恒生銀行,於1980年慷慨捐資成立恒商。從1980年至2009年,恒商的文憑與副學士學位課程在學界及商界甚具口碑,成績斐然。

香港行政長官於 2009 年的施政報告指出,優良的私立大學在香港日趨重要。有見及此,恒商於 2010 年改組成為恒管,根據《專上學院條例》(第 320 章), 註冊成為非牟利私立專上學院,提供多元化本科及以

上學位課程。

2018年10月30日,恒管獲香港特區政府 批准正名為「香港恒生大學」。

Together with HSUHK, Scale New Heights 與恒大同行 再攀高峰

Ms Cheang Wai Wan, Louisa Chairman Board of Governors The Hang Seng University of Hong Kong 香港恒生大學 校董會主席 鄭慧敏女士

HSUHK received its university title on 30 October 2018. At this time of rejoicing, the University is honoured to have an interview with Ms Cheang Wai Wan, Louisa, Chairman of the Board of Governors who shared with us her views and aspirations concerning HSUHK.

Ms Cheang is Vice-Chairman and Chief Executive of Hang Seng Bank, Chairman of Hang Seng Bank (China) and various subsidiaries in the Hang Seng Group, Chairman of the Hang Seng Index Advisory Committee of Hang Seng Indexes and a Member of the Board of Trustees of the Ho Leung Ho Lee Foundation. She is also a Group General Manager of HSBC and a Director of The Hongkong and Shanghai Banking Corporation.

Ms Cheang joined HSBC in 1999 and has worked in a wide range of Personal Financial Services and Marketing positions. She was appointed Head of Personal Financial Services, Hong Kong at HSBC in 2007; Regional Director of Personal Financial Services, Asia Pacific in 2009; and Regional Head of Retail Banking and Wealth Management, Asia Pacific in 2010. Ms Cheang became Group Head of Retail Banking in 2014 before being appointed as Vice-Chairman and Chief Executive of Hang Seng Bank in 2017.

Ms Cheang graduated from The University of Hong Kong with a Bachelor of Social Sciences degree. She is also a Chapter Honoree of the Beta Gamma Sigma Chapter at The University of Hong Kong.

What are your impressions of HSUHK – its people, culture and facilities?

Ms Cheang: Since taking up my appointment as Chairman of the Board of Governors, I have been impressed by HSUHK's dynamic approach to nurturing its students on both academic and personal development fronts. The "Liberal + Professional" education model to provide an all-round education, small-class teaching, extracurricular mentoring and the strong relationship between teachers and students give HSUHK a unique character. HSUHK's focus on "whole person" development also reflects the objectives and core values of the founders of Hang Seng School of Commerce, the predecessor of HSUHK.

On my recent visit to the University, I was impressed by the range and quality of its facilities, such as the Auditorium, SCOM TV Studio, Financial Trading Laboratory and Sports Hall and Swimming Pool. At the Residential Colleges, I met a number of students and gained a good insight into their daily life at the residences.

I am also pleased that the University has incorporated environmental considerations in its campus facilities.

鄭女士持有香港大學社會科學學士學位,並獲 Beta Gamma Sigma 香港大學分會頒授終身榮 譽會員。

鄭主席,對於恒大的師生、文化和設施,您的 印象如何?

鄭女士:自從擔任校董會主席以來,看見恒大以靈活的方式培育學生的學術和個人發展,令我印象深刻。恒大憑著「博雅 + 專業」的教育模式,提供全方位教育、小班授課、課外輔導,讓師生建立緊密關係,這些元素構成恒大的特色。恒大以「全人」發展為焦點,秉承其創校機構 - 恒生商學書院創辦人所推動的目標和核心價值。

最近前往恒大參觀,校內設施例如演藝廳、電 視錄影廠、金融交易實驗室、體育館、游泳池 等,讓我留下深刻印象。走訪住宿書院時更有 機會與學生交談,了解他們日常的校園生活。

恒大的校園設施納入了環保元素,令人欣喜。

What impact will acquiring university status have on HSUHK? What expectations do you have for the University?

Ms Cheang: Gaining university status is a major milestone and will open up new opportunities for HSUHK in terms of developing its faculty and degree programmes. The achievement should be a source of great pride for past and present students, faculty and other staff members, as well as for the University's donors and supporters. HSUHK's new status will give it greater visibility and prestige on the higher education landscape, which will likely enhance its ability to attract high-calibre students and teaching staff.

Gaining university status will raise expectations and HSUHK must therefore strive to continue raising the bar on all fronts. This will require the concerted efforts by all of us. I encourage everyone to share their ideas on how the University can continue to innovate and further enhance its reputation and capabilities.

What are the key priorities and directions for the University over the next several years? Will there be any change in HSUHK's role as far as higher education is concerned?

Ms Cheang: As HSUHK settles into its new position in Hong Kong's educational system, its primary focus will be on delivering all-round educational excellence and helping young people achieve their full potential as future leaders and socially aware citizens.

The initiatives established under HSUHK's 5-Year Strategic Plan 2018-2023 include the establishment of an Art and Design academic unit and the launch of the "One Student, One Internship" scheme. The University will also explore opportunities to expand its range of degree programmes and increase its involvement in research and other knowledge-based initiatives that have a positive impact on social development. Such actions will help HSUHK move forward in its mission to become a leading private liberal-arts-oriented university in the region.

Are there any messages you would like to share with the staff, students and alumni of HSUHK?

Ms Cheang: I would like to express my sincere appreciation to all past and present members of the HSUHK community for their admirable efforts to develop the University over the years. HSUHK's achievements are an excellent example of what can be accomplished by working together as a team and being strongly committed to continuous improvement.

I encourage everyone to keep demonstrating the "Hang Seng spirit" by finding new ways to achieve personal growth, enhance the reputation and capabilities of HSUHK, and make positive contributions to the Hong Kong community.

trust in her," said Ms Poon about her first encounter with HSSC. Competing with many Form 7 students, she managed to secure a place at the Diploma in Business Studies programme.

Her school life at HSSC was both fun-filled and enjoyable. "Legal study was my favourite while the teacher was wonderful. I was not hard-working at that time but took the shortcut by seeking tips from classmates who studied hard and prepared early enough. However, I scored higher marks than them in tests. They said it was unfair!" laughed Ms Poon. She told us a secret that after winning in a singing contest at HSSC, she had attended an audition at a record company. Life might be totally different if this audition story went on. Who knows.

Ms Poon's career path is colourful, too. She joined a bank after graduating from HSSC, like many fellow graduates. Working for the International Banking Division of Hang Seng Bank gave her the opportunity to get reach to the outside world. In the years that followed, she continued to explore new directions and pursued her career in different fast-paced and emerging industries including television broadcasting, cosmetics and advertising. Her career development is a fabulous dream for many. Ms Poon admitted that she received support and encouragement all along, "My boss at Television Broadcasts Limited (TVB), who was the General Manager, taught me a lot at work and encouraged me to take further studies. Many years later while taking my three-year MBA programme, I had at one point considered to quit. My classmates supported me to go on. All these people I met are some of the angels in my life. I am really grateful to them." Ms Poon had been working in the Middle-East. That was another wonderful experience filled with cultural exchanges, "The world is very big and there is always the unknown for us to explore."

To have rewarding personal development, Ms Poon believes that getting prepared is the key. "Everyone's development plan and timeline are different. There's no point to compare with the others but we can always learn from their success stories. It's me who can make a difference to my life. So, I would equip myself to embrace opportunities when they arise. All in all, it's never too late to do something.'

潘雪怡女士的求學及職場故事多采多姿,這位恒生商學書院(恒 商)1988年畢業生回想跟恒商結緣的經過:「我的姑姐任職中學教師, 她向我推介恒商,當時我毫不認識這家學校,只是相信她。」雖然競 爭對手是眾多中七學生,她成功爭一席位,入讀商學文憑課程。

潘女士的恒商校園生活極富趣味又輕鬆愜意,且 聽她娓娓道來:「由於老師教導有方,法律是我最 喜愛的科目。那時我不太用功,卻懂得走捷徑, 向勤力讀書又準備充足的同學討『貼士』。結果我 的測驗分數竟然較他們高,他們大呼不值!」訪 問期間她透露了一個小秘密。話說勝出恒商歌唱 比賽後,她曾到唱片公司試音。假如試音後故事 繼續發展下去,天曉得人生會否有另一番景象。

Mr Sit Ka Ming, Terry

Bachelor of Business Administration (Honours) Hang Seng Management College Project Manager, Master Monk Promotion

In his sharing, Mr Sit Ka Ming, Terry, a graduate of the Bachelor of Business Administration (Honours) (BBA) Programme in 2015, impressed us with his entrepreneurial DNA. He recalled, "At secondary school, there wasn't any business subjects but I had participated in an entrepreneurship workshop which might have sown the seeds of setting up my own business. Though there was no subsequent plan in this connection, the choice of a BBA programme seemed to be natural."

His entrepreneurial mindset made him the President of the Students' Union (SU) in

2011, a year filled with challenges and opportunities. Considering that Hang Seng Management College was new to many and the operation of a tertiary institution SU should be different, he spared no efforts to establish inter-university connections for the College. "We paid visits to different tertiary institutions to learn from their experiences. That was a very fruitful journey. Not only did we get connected with counterparts, but also enabled them to know what we are." Terry started to bring social issues into campus for discussion. Such move, regarded by some as adventurous, met with opposition. "We received complaints. Some fellow students worried that it would affect the image of the young College." He managed to receive support from teachers and teammates. The hardship was overcome and a brand-new culture was cultivated.

The experience and knowledge gained at the College helped Terry in his career development. Upon graduation, he set up a promotion company together with three SU teammates. Greatly interested in marketing, Terry took a marketing elective. He pointed out, "The consumer behaviour theories were both interesting and useful, allowing me to understand the difference between customer needs and wants. I tried to put the theories into real practice, such as creating consumer needs to generate market demand." Being young and inexperienced, Terry and his associates have to redouble their efforts to gain trust from the clients. How do they overcome this hurdle? He smiled and explained, "We give our clients an 'until-we-sleep' promise, that is, they are welcomed to contact us anytime around the clock to sort things out." Their trust-worthiness is thus built among their customers. What's more? After completing every assignment, they prepare a review report for the customer. This is indeed very thoughtful.

Majored in banking and finance, Terry had joined a one-year internship programme offered by a bank. Now he also works with a bank as a customer relationship manager. Terry thinks that a positive attitude always helps. "There's a saying among the SU teammates – if each English alphabet is assigned with a numerical value from 1 to 26, the

word 'attitude' adds up to 100. I believe that to achieve 100% in what I do, attitude counts."

分享過程中,薛嘉明先生的創業家 DNA,教人印象深刻。薛嘉明於 2015 年畢業,修讀工商管理 (榮譽) 學士課程。他憶述選科經過:「中學時沒有商科課程,不過,我曾經參與創業工作坊,也許創業念頭由此萌芽。當時沒有任何創業相關的後續計劃,選擇工商管理課程看來是率性而行。」

從恒管獲取的經驗和知識有助他的事業發展。 畢業後,薛嘉明聯同三位學生會夥伴成立宣傳 公司。由於對市場推廣極感興趣,市場學面 他的選修科自。他指出:「消費者行為的理論 題又實用,讓我懂得分辨需要和次營造市場 學以致用,例如推動消費者需要 又缺乏 要取信於客戶,必須加倍努力。那麼,包 要取信於客戶,必須加倍努力。那麼,我們 阿跨越障礙?笑意盈盈的薛嘉明解說:「我們 客戶許下『不眠不休』的承諾,全日候們 客戶許下『不眠不休』的承諾,全日候們 數也們隨時聯絡我們,處理事情。」他們都會 提交檢討 報告,這項安排非常周到。

薛嘉明專修銀行及金融學,曾在銀行實習工作一年,現時也兼任銀行客戶經理。他認為抱持積極態度總會無往而不利。「學生會的夥伴有如斯說法 — 如果由 1 至 26,給予每個英文字母一個數值,『attitude』這個英文字的字母數值總和剛好是 100。我相信要自己所做的事達到百分之百,抱持甚麼態度,最為重要。」

何順文校長感謝商務及經濟發展局副局長陳百里博士(左)出席論壇並擔任主禮嘉賓。

HSUHK announced results of the 8th Junzi Corporation Survey and held an E-Commerce Ethics Forum on 4 December 2018. Perception of the general public towards business ethics of corporations in Hong Kong was gauged by a comprehensive and scientific survey while corporations with good business ethics were commended. At the Forum, corporate leaders and young KOLs discussed business ethics and challenges in e-commerce.

The HSUHK Hong Kong Business Ethics Index increased to 65.1 in 2018, the highest among the past three years (60.7 in 2017 and 62.2 in 2016). The results indicated an improvement in public perception on business ethics across all sectors. The accommodation and catering sectors saw a greater improvement while higher scores were achieved by the postal and transportation sectors, same as previous years.

The officiating guest, Dr Chan Pak Li, Bernard, Under Secretary for Commerce and Economic Development of the HKSAR, encouraged corporations in Hong Kong to strive for business sustainability and corporate social responsibility with creativity and to focus on the long-term benefits of good business ethics.

In his speech, President Simon S M Ho pointed out that the assessment of "Junzi Corporations" combines the Confucian concepts of "Junzi" and "Five Virtues" with the Western business ethics. He was delighted that the scope of the survey was further expanded to include more than 3,000 completed questionnaires in 2018.

Dr Felix Tang, Co-Chairperson of the Executive Committee of Junzi Corporation Survey 2018 and Director of Research Institute for Business, said that survey data was collected by well-trained HSUHK students who put their learning into practice through participation in survey design, data analysis and report writing. It is hoped that the Survey may further be developed into a project that comprises three important components: Junzi Corporation

Survey, Junzi Entrepreneur Awards and business ethics education in the coming years.
