The Hang Seng University of Hong Kong (HSUHK) Honorary Fellowship Scheme was established in 2017 with the aim of recognising outstanding individuals who have made substantial contributions to the long-term development and academic excellence of HSUHK or to the community at large.

This year, the title of Honorary Fellow will be conferred on four distinguished individuals: Dr Vincent Cheng Hoi-Chuen, Mr Ronald Chiu Ying-Chun, Mrs Margaret Leung Ko May-Yee and Dr David Sin Wai-Kin. These highly respected members of the local community are well known for their professional expertise and accomplishments. On behalf of the Board of Governors, I wish to express heartfelt gratitude for their guidance and wise counsel over the years in HSUHK's ongoing efforts to uphold high standards of excellence.

Since implementing its unique "Liberal + Professional" education model, HSUHK has experienced rapid-yet-sustainable growth in its ability to provide a quality undergraduate education. With its green campus, strong student-teacher relationships and holistic approach to learning both inside and outside the classroom, the University continues to nurture young people by providing them with the skills and values they need to contribute to the long-term economic and social well-being of our community.

HSUHK's achievements to date have only been possible with strong support from our stakeholders, including our Honorary Fellows. Together with the hard work and commitment of the University faculty, staff members and students, such support will ensure HSUHK continues to go from strength to strength.

校務委員會主席鄭慕智博士 GBM, GBS, OBE, JP
Dr Moses CHENG Mo-Chi, Chairman of Council

欣逢恒大榮譽院士頒授典禮，本人謹此由衷致賀本屆四位傑出人士獲頒榮譽院士銜，包括鄭海泉博士、趙應春先生、梁高美懿女士和冼為堅博士。他們於各自的專業領域成就超卓，多年來對社會及恒大作出寶貴貢獻。

恒生管理學院（恒大前身）於二零一七年設立榮譽院士銜計劃，旨在透過頒發此榮譽以表彰傑出人士對學院發展及社會所作的重大貢獻。我們為本年度頒發此榮譽予上述四位院士引以為傲。

恒生商學書院於一九八零年成立，至二零一零年改組為恒生管理學院，並在短短八年間獲行政長官會同行政會議批准正名為香港恒生大學，當中實有賴各界好友、持份者及特區政府長久以來的指導及鼎力支持。

恒大作為一所自資院校，期盼能繼續得到各界友好的指導及支持，以落實執行其最新的《策略發展計劃2018-2023》，當中包括：設立藝術及設計院系，開辦全新的創意學科；全面提供東南亞語言及文化的課程；加強創新科技課程，涵蓋雲端電腦、人工智能、大數據、區塊鏈、虛擬實境/擴增實境等；和推動大學轉型，成為智慧型且更具可持續性的校園等。

展望未來，我們恒大大同寅期望能與四位榮譽院士有更緊密的聯繫，並繼續得到他們的支持。最後，再次感謝各界一同攜手，實現恒大的願景和使命，培育更多才德兼備的專業人才和社會領袖。

On this auspicious occasion of the conferment of Honorary Fellowship of The Hang Seng University of Hong Kong (HSUHK), I would like to extend my personal tribute and heartiest congratulations to the four distinguished Honorary Fellows of 2019, Dr Vincent Cheng Hoi-Chuen, Mr Ronald Chiu Ying-Chun, Mrs Margaret Leung Ko May-Yee and Dr David Sin Wai-Kin. They have made remarkable achievements in their respective fields, contributed significantly to the community and our University.

The Honorary Fellowship Scheme was first established by the Hang Seng Management College, the predecessor of HSUHK, in 2017, to recognise eminent individuals who have made significant contributions to the development of the institution and society. We are proud to honour the four Honorary Fellows at this Ceremony.

The Hang Seng School of Commerce was established in 1980 and re-structured into the Hang Seng Management College in 2010. With a span of just eight years, we were granted university status by the Chief Executive in Council and changed our name to "The Hang Seng University of Hong Kong". This would not have been possible without the staunch support by all our friends, stakeholders and the Hong Kong SAR Government.

I am delighted to share with you that HSUHK, as a self-financing university, would have to look to the continual guidance and support of everyone in the community to implement its further growth and development pursuant to its *Strategic Plan 2018-2023*, which includes offering new creative disciplines with the establishment of an art and design school; offering extensive courses on the study of ASEAN languages and cultures; enhancement of new creative technology programme encompassing cloud computing, artificial intelligence, big data analytics, blockchain, VR/AR, etc., and transforming the campus into a smart and even more sustainable environment.

All of us at HSUHK would look forward to the close connection and continual support of the four Honorary Fellows in the years ahead. Once again we thank you for sharing our vision and joining in our mission of nurturing more responsible professional talents and community leaders.

校長何順文教授

Professor Simon HO Shun-Man, President

我衷心向今年獲頒榮譽院士銜的四位傑出人士，包括鄭海泉博士、趙應春先生、梁高美懿女士，及冼為堅博士致以祝賀和感謝。

獲頒榮譽院士銜的四位賢達在其專業和社會領域均有卓越成就，歷年來熱心支持恒大的教學理念，為恒大發展出謀獻策，提供寶貴意見。他們的專業和人文視野也啟迪學生在恒大的「博雅 + 專業」教育模式下追求全人發展，實為一眾莘莘學子的典範楷模。他們對恒大、香港高等教育以致社會的可持續發展建樹良多。

恒大是一所非牟利、私立並以博雅教育為主導的大學，把優質教學和學生個人全方位發展訂為最優先目標。大學積極推廣可持續發展，並在校園裡大量種植竹子和採用竹材料。恒大追求成為「君子大學」，崇尚竹的特質——正直、剛毅、結合優雅與力量、虛心和有節氣。我們希望恒大學生具備竹子的特性，成為君子。自2011年起，恒大每年舉辦君子企業計劃及公佈「恒大香港商業道德指數」，以弘揚中國傳統五德，計劃成果備受商界重視。

展望未來，我誠盼四位榮譽院士和大學其他持份者繼續給予我們指導和支持，引領恒大實現願景，成為區內具領導地位並以博雅教育為主導的私立大學。

I would like to express my heartiest congratulations and gratitude to the four distinguished individuals who are conferred Honorary Fellowships of HSUHK this year. They are Dr Vincent Cheng Hoi-Chuen, Mr Ronald Chiu Ying-Chun, Mrs Margaret Leung Ko May-Yee, and Dr David Sin Wai-Kin.

The four recipients have made exceptional professional & community achievements, have been ardent supporters of HSUHK's teaching and learning, and have provided valuable advice and guidance in support of the University's development over the years. Their professional plus humanistic perspectives have inspired our students to pursue all-round development under our unique "Liberal + Professional" education model. They are indeed role models for generations of students. They have contributed immensely to HSUHK, as well as Hong Kong's higher education and the sustainable development of society at large.

HSUHK is a non-profit private liberal-arts-oriented university with quality teaching and students' all-round development as our highest priorities. The University actively promotes sustainable development with the wide planting of bamboo and extensive use of bamboo materials in the campus. Aspiring as a "Junzi University", HSUHK champions the bamboo characteristics of upright integrity with resilience and the perfect balance of grace & strength. Bamboo has joint ("jie" 節) and a hollow trunk, which personifies humility and simplicity. We hope our students embody the bamboo qualities and be a junzi. Since 2011, the University has organised the annual Junzi Corporation Project and announced the "HSUHK HK Business Ethics Index" to promote the five Chinese traditional virtues. The Project has been widely appreciated by the local business community.

Looking forward, I sincerely hope that the four Honorary Fellows and other stakeholders of the University will continue to give us advice and support in the years ahead, guiding HSUHK to realise its vision to become a leading private liberal-arts-oriented university in the region.

Mr Ronald Chiu Ying-Chun is one of the most recognised leaders in the media and journalism profession. He is also one of the longest serving television journalists in Hong Kong, with a career of over 43 years. For the last 17 years, he served as the Executive Director of i-Cable News Limited and i-Cable Sports Limited until March 2019. He is currently Special Advisor to the Chairman of i-Cable Communications Limited. He has been a member of the Advisory Committee on Bachelor of Arts in Journalism and Communication, as well as an adjunct professor in the School of Communication (SCOM) of The Hong Kong University of Hong Kong (HSUHK) since 2011. He has also been a member of the Advisory Council on Graduate Employment of HSUHK since 2017.

Graduated from Hong Kong Baptist College with a Diploma in Communication in 1975, Mr Chiu began his career with Commercial Television as a news reporter. A few years after joining the Television Broadcasts Limited (TVB), he was promoted to News Sub-editor and Producer, Senior Reporter, and Chief Reporter. His connection with Cable TV started from its cradle era. In 1991, he joined Wharf Cable (now i-Cable) as a consultant, and was appointed Assistant News Controller two years later upon Wharf Cable being awarded the licence. His calibre was again recognised and he got promoted to News Controller at Cable TV; and in 2002, he became the Executive Director of two subsidiaries, taking charge the News and Sports Division with over 500 staff members.

Mr Chiu has been regarded as a pioneer in the industry to embrace technological advancements for information access and an advocate of establishing partnership with international media organisations. Not only had he led the launch of the first 24-hour television news service in Hong Kong, he has laid a new order and benchmark for operation and created a new presentation format for the industry. His contribution to the industry has seen him serving the Hong Kong News Executives' Association for over 20 years with six years as Chairman and currently a member of the Executive Committee of the Hong Kong Press Council. His contributions to the nurturing of new blood for industry development have earned him the Honorary University Fellow awarded by his alma mater Hong Kong Baptist University in 2012, and the Distinguished Journalism Alumni Award in 2016. His early works received the honour of the PATER Award in 1988, and Gold Medal from the New York Television and Film Festival Award in 1990.

He is a long-time supporter of journalism and communication education at HSUHK. His association with HSUHK/HSMC began in 2008, two years before HSMC's incorporation as a 4-year degree-granting

institution. He was instrumental to the setting up of an undergraduate degree in journalism and communication, which played a vital part in HSSC's transformation to HSMC. In his role as advisor to the School of Communication, he has assisted in various exercises of Programme Accreditation, Programme Re-accreditation, Programme Area Accreditation and Institutional Review for the University title as well for some ten years. With vision and expertise, Mr Chiu proposed combining business and finance with journalism and communication, and strengthening business journalism education to meet the manpower shortfall as seen in the Asian financial crisis in 2008. He has given not only his advice on programme development and SCOM's equipment sourcing for its state-of-the-art TV studio, but also his invaluable time in teaching for SCOM since 2010.

His contribution to HSUHK is not limited to journalism and communication education, but also to the acquisition of university title in 2018. Over the years, Mr Chiu has shown his support to HSUHK/HSMC by aligning media organisations to support HSUHK and its SCOM, and by creating internship opportunities for students, as well as full-time positions for SCOM graduates.

He earns a lot of respect from his students at HSUHK. No matter how busy students are in their external involvements, they never miss Mr Chiu's classes because they find his teaching inspiring. Mr Chiu finds HSUHK students and graduates polite, respectful to teachers, with positive learning attitudes. He enjoys the close teacher-student relationship at HSUHK.

梁女士參與公共服務亦不遺餘力，在學術界建樹良多，在2009年5月至2013年1月期間擔任恒生商學書院（恒商）校董會主席，在2010年3月至2013年1月期間出任恒生管理學院（恒管）的創校校董會主席及校務委員會主席。

她現為香港大學的司庫、校董會委員、校務委員會委員、財務委員會主席、人力資源政策委員會委員、經濟及工商管理學院國際諮詢委員會委員，以及香港科技大學商學院諮詢委員會委員，亦曾在香港中文大學、香港理工大學及香港浸會大學的校董會及多個諮詢委員會擔任委員及其他職務。

梁女士身兼多項公職，現任公務員敘用委員會委員，及香港特區政府藝術發展諮詢委員會委員，亦曾任香港公益金執行委員會主席、醫院管理局大會成員，以及以下機構的諮詢委員會委員：證券及期貨事務監察委員會、銀行業覆核審裁處、香港出口信用保險局及大珠三角商務委員會。

梁女士於2009年獲委任為太平紳士，2012年獲香港特區政府頒授銀紫荊星章，2016年獲香港大學授予名譽大學院士榮銜。

本校亦對梁女士感激萬分。梁女士於2009年，即三三四學制改革實施當年，接任恒商校董會主席。恒商當年是一所廣為人知的預科中學，為中六及中七學生提供預科課程，以學生佳績及師資優良而聞名。及後三三四學制改革，恒商須在轉型為辦三年制高中的中學與四年制頒授學位的大學之間選擇，校董會當時的決定為後者。

隨之而來的是大量工作，包括訂立學院的新願景、使命及課程重點、覓地擴建校園以配合四年學制、籌集有關擴建資金、招聘勝任的學術人員、協助現有教師成功轉型、籌備嚴格的學術資歷評審，以及克服剛轉型後的招生困難。梁女士領導學校管理層，與其緊密合作，將恒商轉型為恒管，並為其升格為私立大學鋪路。當時正值金融市場最艱難的時期，雷曼兄弟破產，環球金融海嘯爆發，梁女士在處理恒生銀行繁重職務的同時，仍用心兼顧校董會的工作。全賴所有相關人員共同努力，克服各種困難，恒管順利於2010年成立，培育出一屆又一屆高水平的畢業生，獲得政府支持及公眾認可。令人欣喜的是，恒管成立僅僅八年後，獲特區政府於2018年10月正名為香港恒生大學（恒大）。

梁女士談及從恒商到恒管一路走來的感受時，認為建立一個高效的團隊是成功轉型的關鍵因素之一。梁女士建立團隊的經驗豐富，惠及恒管的管理，在她的帶領及多位恒生銀行同事鼎力相助下，建立了一支強大的團隊，帶領各人創立恒管，並將其發展為一所同心同德、教職員上下皆以優質教育為己任的高等學府。

她亦提到，同樣重要的是團隊破釜沉舟、不屈不撓的精神，努力尋求政府支持，最終獲得教育局認可、並獲發展局批予土地，才得以順利開展新里程。

恒管一役反映出梁女士成功的其中一個要素，是其樂觀的態度和積極推動變革的心。她敢於挑戰社會常規，巾幗不讓鬚眉，多次衝破性別的規範，成功在2005年成為滙豐銀行集團首位女華人總經理，並分別在2009年和2015年成為恒生銀行及創興銀行首位女行政總裁。

梁女士自身經驗使然，一直積極提倡多元文化，建立成員來自不同背景的團隊，並鼓勵創新及包容文化。她出席多個本港及海外的講座和研討會，分享自身經驗，鼓勵年輕人，不論男女，都要正直、果敢、有創意，有抱負、追求成功的人生。

Mrs Margaret Leung Ko May-Yee graduated from The University of Hong Kong (HKU) with a Bachelor of Social Sciences degree, majoring in Economics, Accounting and Business Administration; and completed the Advanced Management Program in INSEAD.

Mrs Leung is a respected leader in banking. After joining Bank of America as a graduate trainee, her long and distinguished career includes being the Group General Manager of HSBC Holdings plc and Global Co-Head, Commercial Banking of HSBC Group; Non-Executive Director of Hongkong & Shanghai Banking Corporation; Director of Wells Fargo HSBC Trade Bank N.A.; Vice-Chairman and Chief Executive of Hang Seng Bank; Chairman of Hang Seng Bank (China) Limited; Deputy Chairman and Chief Executive of Chong Hing Bank Limited; and Independent Non-Executive Director of China Construction Bank Corporation.

Mrs Leung is currently a Steward of the Hong Kong Jockey Club, and an Independent Non-Executive Director of Sun Hung Kai Properties Limited, Li & Fung Limited and First Pacific Company Limited. Other listed companies she had served as Independent Non-Executive Director include Hong Kong Exchanges and Clearing Limited, Swire Pacific Limited, Hutchison Whampoa Limited, and QBE Insurance Group Limited.

Mrs Leung actively participates in public services. In the academic field, she was Chairman of the Board of Directors of Hang Seng School of Commerce (HSSC) from May 2009 to January 2013. She was the founding Board and Council Chairman of Hang Seng Management College (HSMC) from March 2010 to January 2013.

She is HKU's Treasurer, Court and Council Member, Chairman of the Finance Committee, Member of Human Resources Policy Committee, and Member of the Business School International Advisory Council; and a member of the Business School Advisory Council of The Hong Kong University of Science and Technology. She had previously sat on the court or advisory councils in Chinese University, Polytechnic University and Baptist University respectively.

Mrs Leung is a Member of the Public Service Commission, and the Advisory Committee on Arts Development of the Government of HKSAR. Public roles she had served include being Chairman of the Executive Committee of the Community Chest of Hong Kong; Board Member of the Hospital Authority; and Member of the Advisory Committee of the Securities and Futures Commission, the Banking Review Tribunal, the Hong Kong Export Credit Insurance Corporation, and the Greater Pearl River Delta Business Council.

Mrs Leung was appointed a Justice of the Peace in 2009 and awarded a Silver Bauhinia Star in 2012. She was awarded an Honorary Fellowship by HKU in 2016.

In The Hang Seng University of Hong Kong (HSUHK), we have much to thank Mrs Leung for. Mrs Leung took over as the Board Chairman of HSSC in 2009, the year that the 3-3-4 system was adopted. HSSC had been a most successful secondary school providing courses for

Form 6 and Form 7 students. HSSC was renowned for the excellent results of the students and the high calibre of the academic staff. With the change to the 3-3-4 system, HSSC had to make a choice of changing into a 3-year senior secondary school or a 4-year degree-awarding university. The decision was to go for the latter.

This entailed an unsurmountable amount of work, including determining the new college's vision, mission and curriculum focus; seeking land to expand the campus to cater for the 4-year study; raising of funds to finance the expansion; recruitment of qualified academic staff; facilitating the successful transformation of existing teachers; the stringent accreditation process; and the challenge in attracting students to this brand new institution. Mrs Leung led and worked closely with the management to transform HSSC to HSMC and to pave the way for a private university. This all happened at a time when she was managing Hang Seng Bank in a most challenging financial market that was suffering from the collapse of Lehman Brothers and the global financial tsunami. Despite all challenges, HSMC was formed in 2010 and the high calibre of its graduates in subsequent years well justified the tremendous efforts put in by all involved. HSMC has won government support and public recognition. In October 2018, to everyone's delight, the Government approved the retitling of HSMC into a university, merely eight years after it was formed. HSMC is renamed as The Hang Seng University of Hong Kong.

When we spoke to her about her HSSC and HSMC journey, Mrs Leung identified "people" as one of the key elements in the success of the transformation. She brought her experience in team building to the management of HSMC. Under her leadership and with the help of her colleagues at Hang Seng Bank, she built a strong team in HSMC to steer and support the establishment and development of the college into an institution with staff sharing a common goal in quality education.

She also cited that equally important was the team's perseverance in seeking support from the Government, in particular the endorsement of the Education Bureau and the granting of land by the Development Bureau to enable HSMC to commence its journey.

As demonstrated through the re-organisation from HSSC to HSMC, one of Mrs Leung's success factors is that she is always an optimist and a change agent, dare to challenge the norm and break glass ceilings. Throughout her career, she had faced but overcome various discriminatory gender situations. This led to her being the first Chinese female to become HSBC's Group General Manager in 2005, the first female Chief Executive of Hang Seng Bank in 2009 and the first female Chief Executive of Chong Hing Bank in 2015.

Because of her own experience, Mrs Leung is a strong promoter of diversity and builds teams with diverse backgrounds and encourages change and an inclusive culture. She participates in talks and seminars, locally and abroad, to share experience and encourage young people, male and female, to be righteous, courageous, creative and aim for success in life.
