MESSAGE FROM PROGRAMME DIRECTOR 課程總監的話

Education is the last and most important bastion of protecting human civilisation and universal values. The ultimate goals of the PPE programme at the HSUHK are to equip students with the critical thinking of philosophers, the governance strategies of politicians and the analytical skills of economists, and transform students into public intellectuals with an independent spirit and free thinking who devote themselves to enhancing the humankind's well-being. This is also our humble contribution to the beloved Hong Kong.

Different from the Pillar Model of Oxford University's PPE, the Bridge Model adopted by our PPE programme focuses more on the cross-domain perspectives and interactive influences of the three disciplines of philosophy, politics and economics. We believe that every issue that truly affects human society always includes political considerations of power division, economic calculations of resource allocation, and philosophical thinking about morals and ethics.

Dear students, when you feel helpless in the face of difficulties in real life, grab a book and study! You will find lots of comrades in our PPE programme!

Dr WONG Muk Yan
Associate Professor
Department of Social Science

教育是守護人類文明與普世價值最後和最重要的堡壘。培育學生兼具哲學家的批判思維、政治家的治國策略以及經濟學家的分析能力，讓學生以身為擁有獨立精神與自由思想的公共知識份子為榮，並以實現人類共同福祉為其生命的方向，是我們開辦PPE課程的初衷，亦是我們能為這城市作出的卑微的貢獻。有別於牛津大學PPE課程的Pillar Model，恒大PPE採用的Bridge Model更著重哲學、政治與經濟三個學科的跨領域角度與交互影響。我們相信，每一個真正影響人類社會的問題，背後都必然包含權力劃分的政治考量、資源分配的經濟計算、以及道德倫理的哲學思考。懷疑人生就去讀書，同學們，當你面對現實生活中的難關感到困頓無助時，去學習吧！你將在我們的課程中找到一班志同道合的朋友！

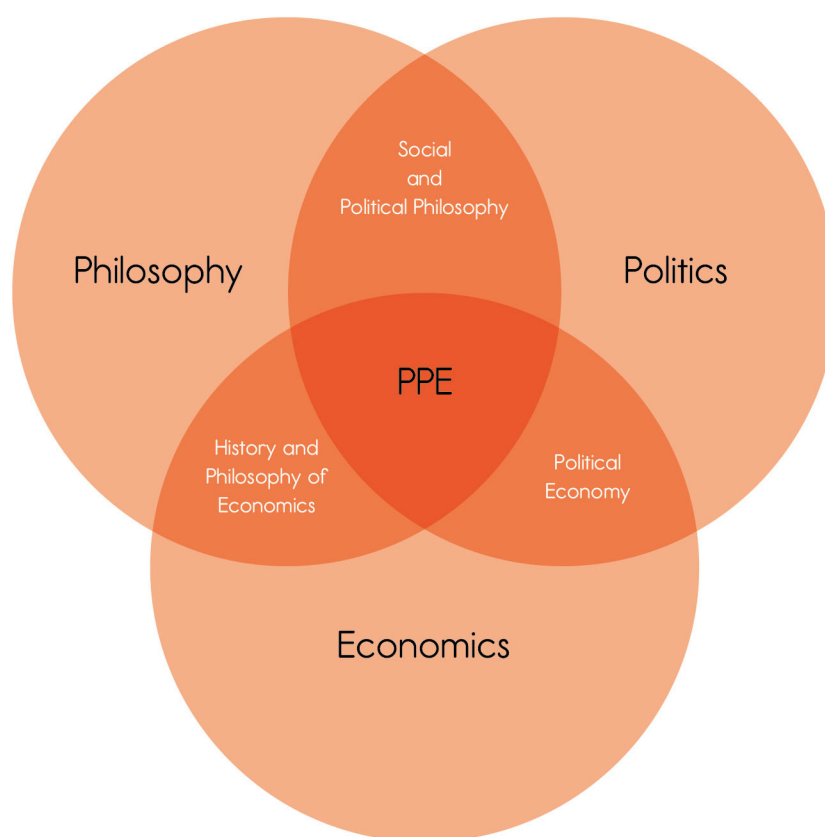

黃沐恩博士
社會科學系副教授

PROGRAMME FEATURES

課程特色

The Hang Seng University of Hong Kong (HSUHK) BSS-PPE adopts a bridge model that emphasises the interconnection among philosophy, politics and economics. While training in philosophy nurtures students with critical and analytical reasoning and a humanistic concern about social and economic problems; training in politics and economics provides them with important conceptual and up-to-date awareness that helps them understand and evaluate what happens around the world. Based on these foundational capacity and knowledge, students will take a number of interdisciplinary modules that address how a single public problem can be understood, analysed and solved from these three perspectives. We believe that the bridge model can equip students with the open-mindedness and comprehensive vision that better fit in with the everchanging 21st century.

香港恒生大學 (恒大) BSS-PPE採用的 bridge model 強調哲學、政治與經濟三個學科的聯繫。透過哲學訓練，培養同學的批評思維及對社會議題的人文關懷；透過政治及經濟學訓練，培養學生以專業的概念和理論知識分析世界大事和學習制定社會政策。以此為基礎，同學將修讀一系列的跨學科科目，務求讓同學同時運用哲學、政治與經濟的觀點理解與分析公共問題，建立更全面和靈活的跨學科視野。我們相信 bridge model 的教學模式能更有效裝備同學應對瞬息萬變的廿一世紀。

PROGRAMME STRUCTURE

課程結構

Year 1	Year 2	Year 3	Year 4
PPE1001 Introduction to Philosophy	ECO2003 Macroeconomics: Policy and Applications	ASI2000 Social Sciences Research Methods	PPE4009 Final Year Project in Public Affairs
