The Ceremony was officiated by Prof. Yuen, Dr Lee, together with Dr Moses Cheng, Council Chairman; Dr Patrick Poon, Governor and Chairman of HSUHK Fundraising and Donation Committee and Foundation Management Committee; and President Simon Ho.

In his welcoming remarks, Dr Cheng praised Prof. Yuen and Dr Lee for their exceptional achievements in the business sector and their active contributions to our society. They placed great emphasis on education and had been steadfast supporters of HSUHK's commitment to nurturing students with all-round development over the years. Sharing at the Ceremony, "We firmly believe in HSUHK's unique 'Liberal + Professional' education model, adhering to the Founders Dr S H Ho and Dr Lee Quo Wei's education ideals, will benefit students in growth and development. Apart from professional competencies, more importantly, our students should be cultivated with a broad mind and a spirit of perseverance for continuous improvement."

The FTFY Family Trust will continue to work with the University to promote the development of the higher education sector.

In his appreciation remarks, President Simon Ho pointed out the University's achievements today were brought about by the guidance and support of all stakeholders including the Board of Governors, Council, donors and supporters, alumni and the university community as a whole.
