## Message from the Chairman of the Board of Governors 校董會主席的話

The 2022-2023 academic year at The Hong Kong University of Science and Technology (HKUST) was marked by steady progress. Our campus life buzzed with energy as we resumed a full schedule of academic and extracurricular activities, while our teaching and research efforts continued to evolve.

We expanded our geographical footprint by opening new centres in Qianhai and Nansha, enhancing our educational outreach. The return of in-person events has been a welcomed change, bringing back a full roster of important gatherings. Notable among these were the ceremonies for the conferral of Honorary Doctorates, the University's 43rd Founding Anniversary celebrations, several international conferences, as well as visits from delegations of regional and international universities.

The completion of the Creative Humanities Hub's main structure at West Lane is a leap forward for our School of Humanities and Social Science, providing advanced resources for our faculty and students. We are grateful to our benefactors for their support, which has been crucial in these advancements.

We bid farewell to Dr Ho Tzu-leung and Ms Wong May-kay from the Board of Governors and greet our new Governors, Mr Thomas Ho, Ms Betty Law, and Ms Saw Say-pin. Their insights will help guide HKUST's journey.

Finally, I would like to recognise each member of our University for their contributions to our new five-year strategic plan. I look forward to seeing how this plan guides HKUST towards becoming a recognised leader in higher education.

Diana Cesar  
Chairman of the Board of Governors

## Message from the Chairman of the Council 校務委員會主席的話

This year under review has been another transformative year for the University. Besides returning to normal of face-to-face teaching, events and celebrations, the University introduced a variety of new initiatives to groom and equip our students for a highly competitive and fast changing world.

In addition to gaining many accolades for the quality of education offered at HSUHK, the University is listed 1st in Employability at the 2023 AppliedHE ASEAN+ private university assessment, which measures the percentage of graduates who secured full-time employment within six months of graduation. Efforts as such, including the variety of career development workshops, fairs, internship opportunities and other activities, continue to demonstrate our commitment to offering the leaders of tomorrow every opportunity to stand out amongst their peers in the community and the world at large.

I am especially pleased to see that our students have received offers to take up summer study programmes across prestigious universities, including the University of Oxford, University of California, Berkeley, and Harvard University among others, to widen their international perspectives.

Residential College is one of our major pillars supporting student development. To show our appreciation to the Wei Lun Foundation, The S H Ho Foundation, and the Fung Yiu King Charitable Foundation for their generous donations which support HSUHK's strategic initiatives and development, the University has named its three Colleges under its Jockey Club Residential Colleges (RCs) system, Lee Yick Hoi Lun Mosaic College, S H Ho Wellness College, and Fung Yiu King Evergreen College respectively. Together with the Patrick S C Poon Amity College which was similarly funded and named, all four Colleges have established their respective Board and development endowment fund, symbolising a new chapter for HSUHK's RCs system.

On behalf of the Council, I would like to thank outgoing Council Members, Ms Suzanne Chan and Mr William Doo for their contributions, and welcome Mr Arthur Mui, Mr Benedict Sin, and Professor Wong Suk-ying to serve on the Council.

I applaud the achievements of the HSUHK family and express confidence for more to come our way. I look forward to celebrating our continuous success with you all as we usher in a new year of development.

Moses Cheng Mo-chi  
Chairman of the Council

恒生大學在過去一年繼續革新，除面授課堂、活動和慶典復常之外，大學亦推行多項新計劃，確保我們的學生有能力應對競爭激烈且急速變化的世界。

恒大不僅憑卓越的教育質素屢獲肯定，於2023年 AppliedHE 東盟地區 + 私立大學評鑑中，在計算畢業生畢業半年內投身全職工作百分比的「就業能力」範疇，恒大亦居首位。這項成就再次印證我們矢志透過職涯發展工作坊、就業博覽、實習機會和其他活動等機會，培育能在本地社會以至世界出類拔萃的未來領袖。

令我更感欣慰的是恒大大學生有機會到牛津大學、加州大學柏克萊分校和哈佛大學等著名學府修讀暑期課程，擴闊國際視野。

住宿書院是促進學生發展的重要支柱之一。為感謝偉倫基金、何善衡慈善基金會及馮堯敬慈善基金會對大學策略發展的慷慨支持，恒生大學將香港賽馬會住宿書院系統其中三所書院，分別命名為「利易海倫博文書院」、「善衡康活書院」和「馮堯敬綠延書院」，連同同樣獲捐助及命名的「潘樂昌樂群書院」，恒大四所書院已分別成立各自的書院董事會和發展永續基金，為整個住宿書院系統開啟新篇章。

我謹代表校務委員會向卸任的陳雪紅女士與杜家駒先生致謝，感謝他們的寶貴貢獻，同時歡迎梅慶堯先生、冼雅恩先生和王淑英教授的加入。

恒生大學大家庭在過去一年成績斐然，令人鼓舞，我有信心未來大學會更上一層樓。隨着我們開展新的一年，我期待繼續與大家同賀大學續創輝煌成就。

校務委員會主席  
鄭慕智

## Message from the President 校長的話

Following a full return to normalcy after the COVID-19 pandemic in early 2023, HSUHK has been able to thrive and achieve remarkable accomplishments, thanks to the concerted efforts of all members of the HSUHK community and its stakeholders.

### Recognitions from around the globe

HSUHK was listed the 7th (overall) in the ASEAN+ region, 1st in the Greater China region, and 1st in Employability as per the 2023 AppliedHE ASEAN+ private university assessment by the Singapore-based AppliedHE. It also became the first self-financed university in Hong Kong to earn the AACSB International accreditation for its business programmes, and was listed 18th in "Best Business and Management Universities in China 2023", by the international academic research portal Research.com.

HSUHK also received the Yazhou Zhoukan Asia Excellence Brand Award 2022, as well as the Corporate Financial Education and ESG Leadership Gold Award 2022 by the Institute of Financial Planners of Hong Kong, in recognition of the University's effort to improve financial literacy levels in Hong Kong.

To add to the above accolades, HSUHK was among the 55 buildings in Hong Kong to have received the "GBA Low Carbon Buildings Top 100 Award" in 2022 by the GBA Carbon Neutrality Association, in recognition of the University's effort in promoting sustainable development in the region.

### Enhancement of programme offerings and admissions

HSUHK is committed to enhancing its degree programme offerings. In numbers, five new Taught Postgraduate Programmes (TPG) were launched in 2022-23. While the new student intake (September 2022 entry) for Undergraduate Programmes remained stable at about 1,700; the enrolment for TPG increased by over twofold, to about 520.

隨着新型冠狀病毒疫情於 2023 年初消退，香港逐漸復常，恒生大學在全體師生和持份者眾志成城下亦穩步發展，並取得突出成就。

### 備受國際認同

在新加坡高等教育評鑑機構 AppliedHE 進行的 2023 年東盟地區 + 私立大學評鑑中，恒生大學整體位列第七，而在大中華區居首，在「就業能力」方面亦名列第一。恒生大學亦成為香港首間自資大學獲得國際商學院促進協會（AACSB）認證其商管課程，並在國際學術研究網站 Research.com 公布的「2023 中國最佳商管大學」評分中位列 18。

此外，恒生大學榮獲《亞洲周刊》頒發「亞洲卓越品牌大獎 2022」，並獲香港財務策劃師學會頒發「企業理財教育及 ESG 領袖大獎 2022」，表揚大學對提升本地金融知識水平的貢獻。

恒生大學獲大灣區碳中和協會頒發「2022 年大灣區低碳建築 TOP 100 大獎」，以嘉許大學在區內推廣可持續發展的努力。本校是全港獲頒此獎項的 55 幢建築物之一。

### 強化課程和收生

恒生大學致力強化其學位課程的質量，於 2022-23 學年共推出五個全新修課式研究生課程。學生人數方面，本科生課程的新生（2022 年 9 月入學計）約 1,700 人，與往年相若；至於修課式研究生課程的學生人數則增加逾倍至約 520 人。

We are also pleased to have been informed by Education Bureau of the State Ministry of Education's agreement to double our admissions quota (from 10% to 20% of the total enrolment of the last academic year) for undergraduate students from Mainland China, Macao and Taiwan starting from 2023-24. To further increase student diversity, we will further enhance our efforts in enrolling overseas students, especially from ASEAN countries.

Our students continue to perform very well, with many of them achieving exceptional results in academic and non-academic activities, including international awards. Their potential has also been appreciated by employers, and 90% of our 2022 graduates secured a job or pursued further studies within six months after graduation.

We are dedicated to broadening our students' international outlook and raise their competitiveness. In 2022-23, the University supported a select group of students to join summer programmes at world renowned universities, such as the University of Oxford, Harvard University and the University of California, Berkeley among others, and will continue to expand such programmes.

## Strengthening ties with strategic partners

Globalisation is one of the major aspirations that extends the impact of our institution. During the year, a number of memoranda of understanding were signed between HSUHK and regional and international partners for academic collaborations and student exchange programmes.

Our network is expanding, and despite the pandemic, our number of global partners exceeded 100 in the 2022-23 academic year. The University also set up the HSUHK mainland centres at Qianhai in Shenzhen and Nansha in Guangzhou, further propelling the University's development in the Greater Bay Area.

## Creativity showcase

With finite resource, our colleagues have demonstrated their creativity to advance the University's strengths in teaching, research, and knowledge exchange. To name a few, we established Hong Kong's first Cloud Innovation School with the support of Amazon Web Services to foster further development among start-up communities and prepare technology-focused talent. We are also the first in Hong Kong to establish a "Decision Analytics Outstanding Award", which recognises the impact of decision analytics technologies across industries.

我們亦喜獲教育局通知，國家教育部同意於2023-24學年起，將錄取內地、澳門及台灣學生的上限增加（由上學年總學生人數的10%增至20%）。我們亦致力錄取更多海外尤其東盟國家的學生，使學生社群更多元化。

恒生大學學生一如以往表現出色，在學術和非學術的活動上取得佳績，包括奪得國際獎項。他們的潛質亦獲僱主賞識，在2022年畢業生之中，九成於畢業後六個月內獲得聘用或繼續升學。

我們致力擴闊學生的國際視野，提升他們的競爭力。在2022-23學年，本校支持一批優秀學生前赴牛津大學、哈佛大學和加州大學柏克萊分校等世界頂尖大學修讀暑期課程，並將進一步擴大同類計劃。

## 與策略夥伴加強聯繫

全球化是擴展恒大教研影響力的重要一環。年內，恒生大學與地區及國際合作夥伴就學術合作和學生交流計劃簽署多項合作備忘錄。

我們正不斷擴展夥伴網絡。儘管受疫情影響，本校的環球夥伴於2022-23學年已超過100個。大學亦已在深圳前海和廣州南沙設立內地中心，進一步推動恒大在大灣區的發展。

## 創意盡展

縱然資源有限，我們的同事仍展現他們的創造力，以提升大學在教學、研究和知識交流方面的優勢，當中包括在Amazon Web Services支持下設立全港首個雲創學院，以推動初創社群的持續發展，培養更多科技人才。我們亦創辦了全港首個「決策分析卓越獎」，表揚業界運用決策分析科技所帶來的影響力。

On the research front, our colleagues' creativity has won them not only some HK\$60 million of external funding support, but also our first award at the Geneva International Exhibition of Inventions. Our scholars' out-of-the-box thinking has given birth to novel artificial intelligence and virtual reality systems, as well as mobile apps, which provide real-life solutions for supply chain management, problem-based collaborative learning, and language learning.

## Looking ahead

The HSUHK Strategic Plan 2023-2028 was released in August 2023 which lays out a clear road map for the development of the University over the next five years. The Plan encapsulates the University's development across six strategic focus areas: Programme Development and Admissions; Research, Scholarly Work and Knowledge Exchange; Learning and Student Experiences; Globalisation and Regional Development; Stakeholder Engagement and University Social Responsibility; and Resources Management and Institutional Advancement.

The meticulously selected strategic goals in the Plan present an entrepreneurial approach to optimise HSUHK's strengths for the best educational outcomes, and elevates HSUHK's contribution and impact, which will be achieved through our unique "Liberal + Professional" education model, our enhanced local and regional contribution, as well as our innovative programmes and initiatives that accentuate global citizenship. In doing so, HSUHK will become the University of choice for students, scholars, employers, and relevant stakeholders.

With the completion of the new Creative Humanities Hub on campus in early 2024, the University will provide more quality teaching and learning space for the enhancement of its creative and humanities education. To cater for the growing student population and academic programmes, we are also planning to rent a town centre in Tsim Sha Tsui, Kowloon.

With the launch of the new Strategic Plan, I look forward to the coming developments that will continue to uphold our mission of nurturing responsible global citizens and leaders with critical thinking, innovative minds, caring attitudes, moral values, and a sense of social responsibility.

Simon S M Ho  
President

研究方面，同事的創意不僅為他們爭取到 6,000 多萬港元的校外資助，更為恒生大學贏得首個日內瓦國際發明展獎項。我們的學者更憑創新思維開發新穎的人工智能與虛擬實境系統和流動應用程式，為供應鏈管理、問題為本協作學習，以及語言學習，提供了實際可用的解決方案。

## 展望未來

「恒生大學策略發展計劃 2023-2028」已於 2023 年 8 月公布，為大學未來五年的發展確立了清晰的路線圖。策略發展計劃涵蓋六大策略發展範疇，包括課程發展與收生、研究與知識交流、學習和學生體驗、全球和區域發展、持份者參與和大學社會責任，以及資源管理和大學拓展。

恒生大學根據仔細訂定的策略目標，透過獨特的「博雅 + 專業」教育模式、持續提升的本地和地區貢獻，以及着重全球公民意識的創新課程和計劃，積極進取地優化自身的優勢，達致最佳教育成果，並提升大學的貢獻和影響力，藉此令本校成為學生、學者、僱主和相關持份者的大學之選。

「創意人文館」於 2024 年初落成後，本校將能提供更優質的教學空間，以提升創意及人文教育的質素。為配合不斷增加的學生人數和課程數目，我們亦計劃在九龍尖沙咀租用市區教學中心。

隨着新的策略發展計劃推出，恒生大學未來將繼續秉承其使命，培養具備明辨思維、創新力量、人文關懷、道德價值和社會責任的全球公民與領袖。

何順文

## Undergraduate programmes

In the reporting period, a total of 1,734 new students were admitted to the 25 bachelor's degree programmes offered at HSUHK, bringing the total number of undergraduate students to 5,917.

As per the agreement of the State Ministry of Education, HSUHK increased its admission quota for Mainland, Macao and Taiwan students from 10% to 20% with effect from the 2023-24 academic year, alongside a few other self-financed institutions. The revised policy will increase student admissions and facilitate the rising number of Mainland students who want to pursue their undergraduate degrees in Hong Kong. HSUHK is also expanding its reach internationally, especially in the Southeast Asian regions to further its efforts in achieving diversity among the student population at HSUHK.

To ensure that our students have the best education opportunities available to them, we are constantly looking for ways to enhance and evolve the programmes offered at HSUHK, so that our students not only stay ahead of the curve, but find new opportunities too.

Our Bachelor of Business Administration (Honours) in Financial Analysis was enhanced to keep abreast of innovative financial technologies, and enriched with new modules of FinTech. ## 本科課程

在年報期內，恒大 25 個本科課程共取錄 1,734 名新生，全體本科生人數為 5,917 名。

隨着國家教育部放寬政策，恒生大學與幾所自資院校自 2023-24 學年起，招收內地、澳門及台灣學生名額的上限，由原來的 10% 增至 20%。政策修訂後，收生規模將擴大，有助回應有意來港攻讀本科課程的內地生持續增加的情況。本校亦加強國際聯繫，特別是東南亞地區，令恒大的學生群體更多元化。

為確保學生獲得最理想的教育，本校不斷尋求強化和調整課程，確保學生不僅具領先優勢，更能發掘新的機遇。

為配合創新金融科技的發展，金融分析工商管理（榮譽）學士課程加入金融科技的科目，並自 2023-24 學年起更名為「金融分析及金融科技工商管理（榮譽）學士」，以適切反映課程內容的轉變。

恒大獲教育局「自資專上教育提升及啟動補助金計劃」撥款逾港幣 1,700 萬元，資助「教授智能決策分析以提升供應鏈及資訊管理課程」項目。該項目由決策科學學院領導，透過在課程中引入最新的智能決策分析趨勢及科技，以及提升教學基礎設施，強化「管理科學與資訊管理（榮譽）學士」及「供應鏈管理工商管理（榮譽）學士」兩個本科課程。

With these new programmes, HSUHK offers a total of 12 TPG programmes.

In the reporting year, 521 TPG students have been admitted to HSUHK, more than double the number of students admitted in the last academic year. ## Enhancement in e-learning

HSUHK has established Hong Kong's first Cloud Innovation School (CIS) with the support of Amazon Web Services (AWS) to enhance students' information and communication technology (ICT) literacy, foster further development among start-up communities, and prepare technology-focused talent. CIS focuses on four areas, Cloud Computing Training and Education, Cloud Course Development, Academic Research, and Employment and Entrepreneurship Development. HSUHK's CIS will provide students with comprehensive and practical training in cloud computing, AI, and data analytics by using AWS's cloud courses and resources, as well as HSUHK's cross-disciplinary financial technology expertise.

The University also embraces the development of Generative AI and encourages its use in teaching and learning. The Information Technology Services Centre is providing HSUHK's own version of ChatGPT for staff and students to use and learn from, for free. A set of "Guidelines for Using Generative AI in Teaching and Learning" were also developed to offer a comprehensive framework for incorporating Generative AI into HSUHK's teaching and learning practices. By addressing ethical concerns and providing practical recommendations, the Guidelines promote academic integrity and nurture critical thinking among the University community.

## 加強電子學習

本校獲 Amazon Web Services (AWS) 支持，設立全港首個雲創學院，以提升學生的資訊及通訊科技素養，支持初創社群的長遠發展，並培養更多科技人才。雲創學院著重雲端運算培訓和教學、雲端課程開發、學術科研及就業創業發展四大方面，將通過 AWS 的雲端課程和服務資源，以及恒大的跨領域金融科技優勢，為本校學生提供全面而實用的雲端計算、人工智能與數據分析等技能培訓。

恒生大學亦擁抱生成式人工智能的發展，並鼓勵應用在教與學上。資訊科技服務中心提供恒大版的 ChatGPT，供師生免費使用和學習，並制訂「在教與學應用生成式人工智能指引」，為大學在教與學實踐中使用生成式人工智能提供完整框架，當中包括操守問題和實務建議，從而在大學社群中推廣學術誠信，並培養明辨思維。

## Campus sustainability and inclusivity 校園可持續發展與共融

HSUHK fully supports the United Nations' Sustainable Development Goals ("SDGs"), and our aspirations are guided by the SDGs in incorporating sustainability into the planning and operation of our daily operations, thereby creating long-term value as a socially responsible institution.

恒生大學全力支持聯合國可持續發展目標，並按照可持續發展目標的指引，將可持續發展納入日常營運的規劃和運作中，從而履行社會責任，為社會創造長遠價值。

### Construction of Creative Humanities Hub

The new Creative Humanities Hub (CR) is a five-storey environmentally and sustainability-conscious building, located between the oldest section of the campus and the more recent developments, connecting "the old with the new" physically and metaphorically. The new building is a part of the University's ongoing efforts to enhance its creative humanities education to cater for the increase in student numbers, and the growing demand for additional teaching and learning facilities.

With a gross floor area of approximately 3,000 square metres, the CR will house the School of Humanities and Social Science. Teaching and learning facilities will include a gallery, classrooms that enable multi-media editing and digital studio needs, and a lecture hall. The facilities will be equipped with cutting-edge lighting and sound system, animation, computer, graphics, and video editing-production capabilities. The building will be completed by the end of 2023 and the move-in is expected to commence in the first quarter of 2024.

### 興建「創意人文館」

「創意人文館」樓高五層，是一座兼顧環保和可持續發展的建築物，位於校園最具歷史部分和新近開發項目之間，貫通校園新舊建築，同時喻意把「新舊」連接起來。新大樓能為大學進一步提升創意人文教育的質素，以應付學生人數增加及教學設施不敷應用的情況。

「創意人文館」的總樓面積約 3,000 平方米，將成為人文社會科學學院的教學基地。大樓的教學設施包括展覽廊，以及可配合多媒體編輯和數碼製作需要的課室和演講廳，並配備先進的燈光和音響系統、動畫、電腦、圖像和影片編輯製作設施。大樓的興建工程預計於 2023 年底竣工，2024 年首季逐步遷入。

## Campus sustainability and green initiatives

The "2021-22 HSUHK Campus Sustainability Highlights" report points out the University's achievements and initiatives in green and sustainable development, including the following facts and figures:

- Four new building projects since 2012 have been certified by BEAM Plus for New Buildings, all awarded with Platinum as the final rating.
- Echoing the Low Carbon Charter, the University has started to conduct its carbon audit, and has set target to reduce 15% of our energy consumption by 2029-30 with 2018-19 as the baseline year.
- We participated in the 2021 UI GreenMetric World University Rankings, placing 503 out of 956 universities from 80 countries, and HSUHK was the only Hong Kong university ranked.

The Residential Colleges (RCs) partnered with the Environmental Protection Department to launch the Green Collect Programme in the RC community and encourage residents to practise daily waste reduction and resource recovery. The RCs recycled over 2,000 kg of recyclables in 2022-23.

In the reporting period, the RCs also organised a range of educational initiatives to promote sustainability among students. These initiatives include a four-day campaign "Living Green Sharing Evergreen" to raise awareness on low-carbon living and the sustainable use of natural resources; a Sustainability Leaders Programme to nurture sustainability leaders through train-the-trainer approach; and a Sustainability Talk Series to discuss coastal conservation, marine biodiversity, and backyard biodiversity.

The HSUHK Library is also committed to reducing paper usage and promoting environmentally friendly practices. It has also reinforced its e-preferred collection by owning over 80% of the collection in e-format.

The University-wide Working Group on Energy Conservation and Sustainability engaged staff and students to initiate and support best practices in energy conservation and sustainability measures, including the introduction of food waste decomposer to treat campus canteen food waste properly, and the promotion of a paper-less operation through an inter-unit competition.

## 校園可持續發展及環保措施

《恒大校園可持續發展報告重點 2021-22》列出大學在環保及可持續發展的成就和措施，包括：

- 自 2012 年起落成的四個新建築項目獲頒「綠建環評」新建建築「最終評估鉑金級」認證。
- 為回應《低碳約章》，大學已開展碳審計並訂下目標，以 2018-19 年為基準年，於 2029-30 年前減少能源消耗 15%。
- 恒大參與 2021 世界綠色大學排名，在 80 個國家 956 間大學中，位列 503。恒大是香港唯一獲排名的大學。

住宿書院聯同政府環境保護署推行「綠綠收」一站式信心回收服務，鼓勵宿生參與源頭減廢，妥善處理回收物，轉廢為材。於 2022-23 學年，住宿書院共收集逾 2,000 公斤的回收物。

年內，住宿書院亦籌辦多項具教育意義的活動，向宿生推廣可持續發展，其中包括為期四天的「Living Green Sharing Evergreen」活動，提升低碳生活和天然資源永續使用的意識；「可持續發展領袖計劃」透過培訓導師的模式培育可持續發展領袖；以及「可持續發展講座系列」，探討海岸保育、海洋生物多樣性和後院生物多樣性等議題。

The University's sustainable and energy-saving measures have been widely recognised and won the University several awards, including the Greater Bay Area Low Carbon Buildings TOP 100 Award 2022, the Energywise Certificate (Good Level), the Wastewise Certificate (Good Level), and the Certificate of Hong Kong Green Organisation.

### Inclusive campus

HSUHK is committed to promoting a diverse and inclusive campus environment where each student and staff's unique personality, talent, and values are respected and appreciated.

Considering the increasing diversity in our student and staff community, the University has set up two prayer rooms on campus. Additionally, all-access washrooms have been upgraded.

With the theme "Strength Lies in Differences", Inclusion Week 2023 was organised to unite students and staff in celebrating the diverse backgrounds and perspectives that make up our community. Mr So Wa-wai, a six-time Paralympic gold medallist, Mr Fan Ka-ho, a table tennis para-athlete, and Executive Director of the Hong Kong Paralympic Committee Ms Elaine Wu Siu-ling, were invited to share their experiences at the "Para Athletes' Sharing of the Spirit of Paralympics" talk during the monthly College Assembly.

Training sessions were also provided to staff members to help them better understand and appreciate the diversity of our students. The sessions covered a diverse range of topics, such as SEN (special educational needs) types, characteristics of different types of SEN and supporting strategies, to promote a more inclusive campus.

恒大圖書館亦致力減少用紙，推廣環保實踐，並加強電子藏書，將電子藏書的數量增至逾八成。

大學節能及可持續發展工作小組邀請師生一同參與，提出及支持各項節能及可持續發展措施，當中包括引入廚餘機，妥善處理校園飯堂的廚餘，並透過比賽提倡在工作中減少用紙。

大學的可持續發展及節能措施獲廣泛認可，並贏得多項榮譽，包括「大灣區低碳建築 TOP 100 大獎」、節能證書（良好級別）、減廢證書（良好級別），以及香港綠色機構認證。

### 共融校園

恒生大學致力推動多元共融的校園，讓每位學生和教職員的獨特個性、天賦才能和價值觀都能得到尊重和欣賞。

鑑於學生和教職員社群日益多元化，大學已在校園內設立兩間祈禱室供師生使用。此外，所有無障礙洗手間均已提升設施，可供使用。

恒大舉行 2023 年共融週，以「Strength Lies in Differences」為主題，團結師生共同頌揚恒大社群的多元背景和觀點。活動邀請到香港殘奧六面金牌得主蘇樺偉先生、現役乒乓球殘疾運動員范嘉豪先生及香港殘疾人奧委會行政總監胡小玲女士，出席以「殘奧運動員暢談殘奧運動精神」為題的講座，分享殘奧運動員的故事。

此外，大學亦為部分教職員提供培訓，課程範圍廣泛，如特殊學習需要類別、不同特殊學習需要的特點及支援策略等，幫助他們全面了解和欣賞學生的多元性，從而推廣共融校園。
