#### **Students from HSUHK and Cambodia explore social entrepreneurship opportunities and challenges**

A delegation of faculty members and students from the National University of Management (NUM) in Cambodia visited The Hang Seng University of Hong Kong (HSUHK) on 12 February.

Students from both institutions joined a service-learning class, where they engaged in in-depth discussions on the business landscapes, operational models and governance concepts of Hong Kong and Cambodia. This allowed participants to explore the opportunities and challenges of social entrepreneurship through multicultural and cross-regional perspectives. The group also toured HSUHK's advanced facilities and technological resources, including the Virtual Reality and Big Data Analytics Laboratory and the University Library.

### **About The Hang Seng University of Hong Kong**

The Hang Seng University of Hong Kong (HSUHK) is a non-profit private liberal-arts-oriented university with six Schools (Business, Communication, Decision Sciences, Humanities and Social Science, Translation and Foreign Languages, and Transdisciplinary Studies), and over 7,000 full-time undergraduate and postgraduate students. With its unique “Liberal + Professional” education model, HSUHK nurtures young talent with critical thinking, innovative minds, caring attitudes, moral values and social responsibility.

Aspiring to be a leading private university in the region, HSUHK prioritises stellar undergraduate education, top-quality faculty members, award-winning green campus facilities, innovative degree programmes, a unique residential college system that combines living and learning, interactive small-class teaching, close student-teacher relationships, impactful research, and excellent student development and support services.

HSUHK has earned various international recognitions. In the AppliedHE’s ALL ASIA Private University Ranking 2026, it secured 7th place in the Greater China region. HSUHK ranked 22nd in Social Sciences and Humanities and 33rd in Economics and Finance among China’s top universities in the Research.com Top Universities and Top Scientists Rankings 2025. The MSc in Global Supply Chain Management programme achieved 84th place globally in the QS International Trade Rankings 2025. Additionally, HSUHK’s School of Business obtained AACSB International accreditation in 2023, a mark of excellence held by only 6% of the world’s leading business schools. HSUHK was also ranked
