### **HSUHK Summer Academy offers senior secondary students a taste of university life**

The Hang Seng University of Hong Kong (HSUHK) will organise the “HSUHK Summer Academy 2026” from 29 to 30 July 2026 for Secondary 4 to Secondary 6 students. Under the theme “Social Innovation: Ideas into Impact”, the event will bring together different Schools and Departments to offer simulated classes, interactive games and workshops, allowing secondary school students to explore their interests and talents while experiencing the diverse university life.

The event spans a wide range of popular fields, including artificial intelligence (AI), psychology, translation and personal growth. Interesting topics include the Department of Social Science’s “**Psychology of Emoji**” which examines the meanings and use of emojis from a psychological perspective, highlighting the underlying dynamics of online communication. The School of Translation and Foreign Languages presents “**Introduction to Card Game Translation: Starting with Pokémon**”, which uses card game as a starting point to introduce AI-assisted translation, game localisation and computer-aided translation. The Department of Computer Science offers “**Inside AI: A Hands-On Discovery Workshop**”, where participants will learn about the development of AI models, from data collection to training, as well as the fundamentals of AI learning and development.

In addition, the Honours Academy will organise the “**Invest in Yourself, Enhance Your Future, Create Impact: Honours Academy Student Leadership Experience Workshop**”. Through interactive challenges, the workshop will guide students in self-development planning, cultivating financial literacy, and recognising common scams and fraud schemes, while helping them integrate personal aspirations with community needs and transform social innovation ideas into practical and feasible solutions.

The HSUHK Summer Academy 2026 is free of charge and is now open for registration, with a deadline of 29 May. Interested Secondary 4 to Secondary 6 students may complete the online registration form without school nomination. Places are limited, and priority will be given to local Secondary 5 students.

### **About The Hang Seng University of Hong Kong**

The Hang Seng University of Hong Kong (HSUHK) is a non-profit private liberal-arts-oriented university with six Schools (Business, Communication, Decision Sciences, Humanities and Social Science, Translation and Foreign Languages, and Transdisciplinary Studies), and over 7,000 full-time undergraduate and postgraduate students. With its unique “Liberal + Professional” education model, HSUHK nurtures young talent with critical thinking, innovative minds, caring attitudes, moral values and social responsibility.

Aspiring to be a leading private university in the region, HSUHK prioritises stellar undergraduate education, top-quality faculty members, award-winning green campus facilities, innovative degree programmes, a unique residential college system that combines living and learning, interactive small-class teaching, close student-teacher relationships, impactful research, and excellent student development and support services.

HSUHK has earned various international recognitions. In the AppliedHE’s ALL ASIA Private University Ranking 2026, it secured 7th place in China. HSUHK ranked 22nd in Social Sciences and Humanities and 23rd in both Business and Management and Economics and Finance among China’s top universities in the Research.com Top Universities and Top Scientists Rankings 2026. The MSc in Global Supply Chain Management programme achieved 84th place globally in the QS International Trade Rankings 2025. Additionally, HSUHK’s School of Business obtained AACSB International accreditation in 2023, a mark of excellence held by only 6% of the world’s leading business schools. HSUHK was also ranked among the top 200 worldwide on “Quality Education” and “Decent Work and Economic Growth” in the Times Higher Education University Impact Rankings 2021.
