Dear Postgraduate Students,

A heartfelt welcome to The Hang Seng University of Hong Kong (HSUHK)!

It is my great pleasure to welcome over 780 postgraduate students across 17 diverse master's programmes for the Academic Year 2025-26. This year promises to be an enriching experience filled with rigorous academic challenges, personal growth, and opportunities to forge meaningful connections within a global network of scholars and professionals.

At HSUHK, we firmly believe that postgraduate education extends far beyond acquiring professional knowledge or preparing for career advancements; it is also about nurturing your holistic development to become better and fulfilling persons, future leaders and change-makers. As you navigate this intensive academic year, I encourage you to embrace every opportunity that comes your way. Challenge yourselves intellectually, actively engage in thought-provoking discussions, collaborate with your fellow students, and contribute to the vibrant community that HSUHK offers.

Throughout your time here, you will be exposed to diverse perspectives and ideas, and it is essential to approach each experience with an open mind. The classroom will not just be a place for knowledge transfer; it will be a dynamic space for exchanging thoughts and challenging one another's viewpoints. Use this environment to cultivate critical thinking and harness your ability to innovate.

The year ahead will undoubtedly pose some challenges to some of you, but it will also be rewarding in many ways. As you deepen your expertise in your chosen fields, you will also develop attributes that are essential in today's fast-evolving world. Attributes such as positiveness, confidence, adaptability, and resilience will serve you well, not only in your careers but also in your personal lives.

Our objective is to empower you to become responsible, ethical individuals well-equipped to tackle the challenges of a rapidly changing world and to lead with purpose.

As you embark on this new chapter, remember that your time at HSUHK, though brief, can be truly transformative. Embrace each challenge to push beyond your limits, and build lifelong connections. Your journey here is what you make of it, and I encourage you to approach it with passion and determination.

Once again, welcome to The Hang Seng University of Hong Kong. I wish you all an inspiring and fulfilling year ahead as we work together to create an impactful postgraduate experience!

Thank you.
