

Welcome Remarks at the HSUHK Autumn Careers Fair 2025

22 September 2025

Auditorium, Lee Quo Wei Academic Building, Yuen Campus, HSUHK

Good morning, Partner Employers, Colleagues, and Students,

Welcome to the Opening Ceremony of the HSUHK Autumn Careers Fair 2025. This year, we are delighted to host over 50 esteemed Hong Kong, Greater Bay Area, and multinational corporations from more than 20 sectors, offering our students over 1,000 internship and graduate opportunities.

The Autumn Careers Fair aims to connect employers with the HSUHK community as the new academic year begins. We encourage our students to fully utilize this platform to connect with employer representatives and explore the opportunities that HSUHK and our partners offer. The Careers Fair is more than a recruitment event, it is a testament of our unwavering commitment to the professional growth and development of our students.

Among our partners here, I am happy to share that this is our second year collaborating with the Civil Service Bureau to host the Government Careers Fair. We welcome representatives from 16 government bureaus and departments to our campus to meet and recruit our talented students. I would like to express my sincere gratitude to the Civil Service Bureau for their continued support to HSUHK.

In the AI era, the nature of work is evolving faster than ever. Countless new opportunities in areas we might not yet have imagined will emerge. At the Hang Seng University of Hong Kong (HSUHK), we prepare our students not just for the jobs of today, but for the unknowns of tomorrow. Through our “Liberal + Professional” education model in a vibrant and supportive learning environment, we are committed to equipping our students to face the future with adaptability and flexibility by fostering the proper values, attitudes, and transferable core competencies, which include Critical Thinking, Creativity, Communication/ Collaborations, Caring Attitude, and Continuous Active Learning.

2025 marks a significant milestone as HSUHK celebrates its 45th Anniversary of founding. We will continue to expand and enhance strategic partnerships with our employers, and I look forward to your ongoing support and collaboration as our partners.

Thank you once again for your participation and support. Together, we can make a significant impact on our students, empowering them to lead the future with confidence and fulfilment.

Thank you very much.
