

Welcome Remarks at the Inaugural HSUHK SBUS Alumni Gala Dinner 2026

15 May 2026

Harbour Grand Hong Kong (Fortress Hill, Hong Kong)

Dr Moses Cheng, Dean Park, honourable guests, valued faculty members, dedicated staff, and most importantly, our dear alumni friends,

Good evening.

It is truly a great honour and heartfelt pleasure to stand here tonight and welcome each and every one of you back for the inaugural HSUHK SBUS Alumni Gala Dinner. Thank you sincerely for taking time out of your busy schedules to return to your alma mater, reconnect with old friends, and celebrate this meaningful milestone together with us. Your presence tonight brings warmth, energy, and strength to our entire HSUHK community.

Over the years, HSUHK has continued to grow steadily and achieve remarkable milestones in teaching quality, student development, and university governance. As one of our flagship academic units, the School of Business, SBUS, has always been the core driving force of our university's development. SBUS has long been recognised for its solid professional business education, forward-looking innovation initiatives, and commitment to holistic student development. We nurture not only competent business professionals, but also ethical, responsible, and future-ready leaders who can contribute meaningfully to Hong Kong society and the Greater Bay Area economy.

Tonight, I would also like to emphasise the irreplaceable bond between the University, our faculty members, and our alumni. Every alumnus and alumna who graduates from HSUHK carries with them the spirit of our campus, the knowledge gained in classrooms, and the values nurtured by our teachers. You bridge our glorious past, our vibrant present, and our promising future. Your trust, your feedback, and your lifelong connection are the most powerful motivation for us to keep improving and moving forward.

Looking ahead, HSUHK and SBUS will continue to move forward with clear and ambitious development plans. We will further strengthen strategic industry collaboration, enhance sustainable business education programmes, expand professional internship opportunities, and upgrade our teaching and learning facilities.

We will keep pace with market trends, support innovation, and prepare our students to thrive in a fast-changing business environment.

At this moment, I sincerely invite all our alumni to walk alongside us on this journey. I warmly encourage you to stay connected with the School and the University, actively join our alumni sharing sessions, participate in student mentorship programmes, and share your valuable real-world industry insights with our younger generations. Your experience, guidance, and encouragement will become the most precious treasure for our current students.

Let us uphold the spirit of co-creation, mutual growth, and solidarity. Together, we can strengthen the SBUS alumni network, enhance the reputation of HSUHK, and build a closer, more powerful, and more united university community for the years to come.

Finally, may I extend my warmest wishes to everyone here tonight. Wish you good health, ongoing career advancement, continuous success in all your endeavours, and a wonderful and unforgettable evening filled with joy, friendship, and beautiful memories.

Thank you very much.
